VINYL & OTHER BAGS

Vinyl, EVA, and Non woven bags:

The Traditional Vinyl bags for comforter sets or mattress pads are usually made with pockets that can hold the Graphic Inserts.

We offer the updated and green version of direct print on Vinyl to make the world more environmentally friendly by reducing the usage of paper and consciously save the Earth's trees.

VINYL & OTHER BAGS

Shopping bags and other products :

Besides the Vinyl, EVA, and non- woven bags, we also produce shopping bags, ice bags, and suit and garment protection bags.

We produce all types of vinyl, EVA and Non-Woven bags such as standard sewn / heat sealed. This includes sheet sets & pillowcases bags as well as wire bags / double wire bags for a comforter set, duvet set, quilt set and mattress pad. Our job is to translate your creativity into your packaging.

GRAPHIC INSERTS, TAGS & ADHESIVES

Above are some options available: Belly band, graphic insert, graphic tag, tie on card, and size label etc. Order any size & type of tag or label you need from simple hangtags to more intricate die cuts or booklet tags. Using Offset, flexographic, silk screen & thermal print capabilities can create endless impactful possibilities.

Your branding is communicated to customers through the merchandising of your products. Successful merchandising at the retail level requires the utility of a barcode & the visual impact of high-quality labels. Our in-house art department & designers can assist customers in developing creative merchandising packages that get your product recognized & sold.

This type of the label can be made on satin ribbon, cotton twill, synthetic ribbon as well as other materials and can be printed via silk screen, flexo and rotary machine.

SEWING FABRIC LABEL

Woven label:

Woven labels can be Taffeta or Damask. They can be made by Machine loom, Needle loom, and Wooden loom. Each gives you a different detail and texture feeling.
